
A Belated Announcement

The West Volusia Stamp Club of Deland, Florida is offering its second perfined event cover. Covers were to be canceled at the Club's Annual Stamp Show on February 23, 2002. Twenty of the proposed one hundred commemorative covers were to be franked with the current 34¢ baseball park stamps perfined 'WAL/KER' (US #W20.5P) – the philatelic perfin belonging to Floyd Walker. (Thanks to Myra Walker for preparing the stamps promised by Floyd prior to his untimely death.)

The cachet on the cover (reproduced right) is in color and shows Mechling Baseball Field in Deland, Florida. If you desire a specific ball field stamp on the cover ordered, please indicate which (but, first come first served.) Please include \$2.00 for each cover ordered, plus a SASE (with enough postage to cover the cost of mailing the covers to be enclosed.) Mail requests for these items to:

Bob Schweitzer, 52 Cambridge Trace, Ormond Beach, FL 32174-2470.

[Editor's Note: My apologies to Bob, his copy for this note arrived after the 15th of February and the March Bulletin was already finalized. I hope the show went well and that the covers are still available for those who want them.]
